

Schaeffler Group: Together we move the world.

SCHAEFFLER GROUP

"Together we move the world" is the motto of the Schaeffler Group. By working closely with our customers from the Automotive, Industrial and Aerospace sectors, we develop and manufacture precision products for everything that moves. With around 65 000 employees worldwide, we are one of the largest suppliers of rolling bearings and a recognized partner of all major automotive manufacturers. For decades, our brands INA, FAG and LuK have stood for innovation, quality and reliability. At 180 locations worldwide, we generated sales of around 7.3 billion Euros in 2009.

We are looking for you to support our team in Shanghai.
