

## **ProTeam General Management Graduate Program**

### **Recruiting at China Career Day 2010**

Are you interested in working in a growth industry? Are you looking for a challenging and diverse job opportunity in Germany with an international focus? Then consider Lufthansa as your employer of choice and apply for our General Management Graduate Program **ProTeam**.

### **ProTeam Facts**

- In the first month, during comprehensive orientation weeks, you will be introduced to the structures, strategies, products, customers, and processes of the Lufthansa Aviation Group. You will take part in service internships and trainings.
- This period will be followed by project work or project leadership, which is possible in all areas of the Group and is coordinated according to your individual career planning.
- Your projects will take place within the entire Aviation Group. You will be accompanied along your ProTeam path by the ProTeam management, project leader as well as by an attuned performance management system.
- Business simulation games, workshops, and discussion forums will also be part of your Lufthansa ProTeam program.
- We offer flexible entry options. The next starting date for the orientation weeks will be in October 2011.
