## Chango Technology Europe GmbH

Chango Intelligent Technology (Guangdong) Co.,Ltd. is the parent company, which is formerly known as "Chango Ultrasonic".

The headquarter is located in Dongguan with branches in Shanghai and Chongqing. In addition, There are four overseas service centers distributed in: Germany. USA. India, Indonesia.

In 2012, Chango Ultrasonic was approved as a national high-tech enterprise.

Firstly the company started as an automation integrated company who mainly focused on ultrasonic technology applied in engineering plastic melting (welding) and assembly. After more than 20-year technical accumulation, we have developed into a production solution provider oriented to customer needs.

At present, Chango Ultrasonic supplies equipment, production line integration and system integration for industrial field, including:

1. Production line equipment applied in automotive industry
2. Robot assembly device
3. AGV internal assembly production conveyor line in workshop, intelligent warehousing and overhead chain system (accumulating conveyor line).

Chango Technology Europe GmbH is newly established and located in Munich, the main tasks are Customer Relationship Maintenance, Aftersales Service and New Business Development.
